YOUR FINGER. YOUR KEY.

**ekey biometric systems –
Europe's No. 1 for fingerprint access solutions.**

Based in Linz, Austria, ekey is the European market leader for biometric access solutions. As we manufacture and develop our products ourselves, our technological expertise and patented software algorithm make us a reliable partner for business in international markets. Both private households and leading companies, along with organizations such as fire and rescue services, have been putting their trust in the ekey fingerprint scanner for many years.

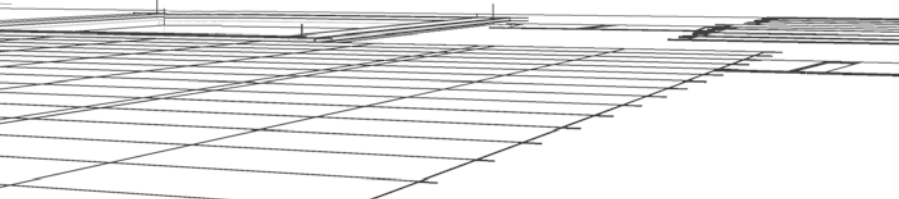

ekey fingerprint scanners can be individually integrated:

- Wall-mounted/outlet-mounted variants
- Door stations
- Switch frames
- Mailbox systems

They are also **SMART HOME-ready** and compatible with many home automation systems.
