

**Have you started planning for the future
or are you still stuck in the past?**

Europe's No. 1 for fingerprint access solutions.

More than 1 million satisfied customers are the best possible recommendation for our products! Both private households and leading companies, along with organizations such as fire and rescue services, have been putting their trust in the ekey fingerprint scanner for many years.

ekey was founded in 1999 and is now Europe's No. 1 for fingerprint access solutions. ekey puts authorization into the customer's hands! Keys, cards, codes, etc. can be lost, forgotten, or stolen. „Your finger is always on hand!“ ekey's wide range of products includes access solutions for doors, gates, alarm systems and time recording.

The international company currently has 70 employees at its 5 locations in Austria, Germany, Liechtenstein/Switzerland, Italy, and Slovenia and exports its products to over 70 countries, with exports making up 73% of its business. ekey's main sales markets include Spain and the USA, in addition to Austria, Germany, Switzerland, Slovenia, and Italy.

QUALITY

All ekey products undergo a rigorous endurance test before they reach the market. The test involves intensive simulations of blazing heat, biting cold, and high humidity; each fingerprint scanner, along with all of its components, is subjected to these conditions countless times before reaching the customer.

Our quality formula comprises the highest standards of functionality, reliability, and security, which are refined by means of extensive testing.

Quality-tested products from ekey – you can count on us!

CERTIFIED QUALITY MADE IN AUSTRIA:

- Extensive production, manufacturing, and functional testing (zero tolerance)
- Testing for environmental and temperature resistance
- Vibration- and shock-tested
- Tested for penetration of water and mechanical parts
- Quality management system in accordance with EN ISO 9001:2015
- CE-compliant

Good reasons for using an ekey fingerprint scanner

 **UNIQUE COMFORT**
You can't lock yourself out: your finger is always at hand!

 **HIGHEST SECURITY**

- No lost or stolen keys!
- Maximum protection against fake fingers thanks to live finger detection with RF sensor technology!
- Access rights (e. g. card or key) cannot be transferred!
- 1,000 more secure than a 4-digit code!

 **USER-FRIENDLY**
Easy installation and administration!

 **INTELLIGENT SOFTWARE**
The ekey software is learning all the time – it can detect the growth of children's fingers as well as minor injuries and changes to users' habits.

 **KNOW WHO IS COMING HOME**
By using the ekey fingerprint access control system, building control systems can now detect "which person" triggers an action.

 **5-YEAR QUALITY GUARANTEE**
for all ekey products!

Today, planning for the future starts right at your front door.

Design isn't the only defining feature of a state-of-the-art building – innovative technology is too. Already on its way to conquering the world of smartphones and tablets, fingerprint access is also setting its sights on access control for companies and households. Some might consider it the stuff of science fiction, but there are over a million satisfied customers actually using this technology day to day. Not only are ekey fingerprint scanners secure and convenient, but they also offer a whole range of benefits that transport your building into the realms of state-of-the-art innovation.

The benefits speak for themselves – and the reasons to choose this technology couldn't be clearer:

- 👍 Keyless access solutions are the future – a fact that people are already convinced of.
- 👍 State-of-the-art access solutions are a fundamental feature of advanced building concepts – and the first impression counts.
- 👍 ekey fingerprint access solutions are the most secure, most convenient way of entering a house.
- 👍 Fingerprint access solutions don't just appeal to younger groups of buyers – they offer the older generation a whole host of benefits too.
- 👍 Accessibility for young and old alike is often a key consideration for customers.
- 👍 Unique identification creates the ideal conditions for a home automation system that works as efficiently as possible – with ekey, your building is ideally equipped to face the future.

Plan buildings to be even **smarter and safer!** You literally hold the future in your hands.
